## 1. Professional Experience

### 1.1 UI Lead

July 2024 – Present

#### Aikyam Solutions, Ranchi, Jharkhand

- Led front-end development team, architecting UI/UX designs and coding responsive interfaces using React and React Flow.
- Collaborated with designers and backend developers to deliver mobile-first web applications, optimizing performance by 15%.
- Conducted code reviews, mentored junior developers, and managed project timelines to ensure on-time delivery.
- Utilized Figma, GitHub, and Visual Studio Code for design-to-code workflows and team collaboration.

### 1.2 Front End Developer Intern

January 2024 – July 2024

#### Aikyam Solutions, Ranchi, Jharkhand

- Developed and maintained web application front-ends using HTML, CSS, JavaScript, and React, ensuring pixel-perfect designs.
- Translated UI/UX designs into functional, responsive interfaces, integrating RESTful APIs for dynamic functionality.
- Implemented version control using Git, streamlining development workflows and reducing merge conflicts.

## 2. Projects

### 2.1 Freecomers: Film Collaboration Platform

Live, In Development

- Designed and coded a live platform for film industry professionals (actors, directors, singers, crew) using ReactJS, Material UI, and Laravel RESTful APIs.
- Developed features for user profiles, job listings, real-time chatting, and project collaboration, enhancing industry networking.
- Ensured mobile-first design and seamless UI/UX, with ongoing development of a mentoring system for knowledge sharing.
- Live demo: [freecomers.com](https://freecomers.com)

### 2.2 Autovertest: Web Application Testing Tool

Completed

- Independently designed and developed a web application testing tool using React, JavaScript, React Flow, and Material UI.
- Built intuitive UI/UX for testers, integrating custom JavaScript scripts to automate testing for 10+ web applications.
- Optimized performance with efficient state management and lazy loading, ensuring seamless user interactions.
- Code available: [GitHub Repository](#)

### 3. Education

#### 3.1 Master of Computer Applications (MCA)

Mar 2020 – Jun 2023

Magadh University, Bihar, India

- Score: 79%

#### 3.2 Bachelor of Computer Applications (BCA)

Mar 2017 – Apr 2020

Magadh University, Bihar, India

- Score: 78%

### 4. Skills

- **Design:** UI/UX Design, Figma, Wireframing, Prototyping
- **Front-End Development:** HTML5, CSS, JavaScript, React, React Flow, Bootstrap, Material UI
- **Back-End Integration:** Laravel and NodeJs RESTful APIs
- **Tools & Technologies:** Git, GitHub, Visual Studio Code, Chrome DevTools, Postman, cPanel
- **Other:** API Integration, Responsive Web Development, Performance Optimization, Problem Solving

### 5. Languages

- English (Proficient)
- Hindi (Native)
